### Youth Policy

In order to ensure the safety of our children and encourage attendance in our educational programs, it is the shul's policy that all children must either be in the Shabbat Groups Program or supervised in shul by their parents. Children ages 5 and under can only leave Shabbat groups when accompanied by a parent. Older children participating in Shabbat Groups may only leave once their group has ended. After shul is over, children playing on the playground must be supervised by their parents. Thank you for your cooperation in this process.

**Thank you to everyone who joined us  
at the Tu B'Shvat Youth Event!**

Special thank you to **Jay Robinow** for making the challah dough and to **Ayala Rockoff** for leading an interactive session on challah and challah braiding.
