## Thank You!

To Rabbi Yitzchak Mizrahi, Director of the Vaad HaKashruth of Kansas City, for leading the Vegetable Checking class last Monday evening.

To Esther Scheibler for hosting and Hadas Moshonov for teaching Women's Rosh Chodesh Learning.

Our synagogue is proud to be participating in Yesh Tikva's Fourth Annual Infertility Awareness Shabbat along with over 100 other synagogues in North America, Australia, and Israel in partnership with Australia Jewish Fertility Network, Fruitful AZ, Gefen Fertility, Hasidah, Jewish Fertility Foundation, JFLA's Feit 4 KidZ Fertility Fund, and Nishmat. This shabbat aims to give infertility a "voice" and to spread awareness in the Jewish community. Too often, infertility is a silent struggle, such that we may not even be aware when our friends, family members or neighbors are suffering. The goal of this campaign is to increase sensitivity towards our fellow Jews who dream of becoming parents.

### Youth Policy

In order to ensure the safety of our children and encourage attendance in our educational programs, it is the shul's policy that all children must either be in the Shabbat Groups Program or supervised in shul by their parents. Children ages 5 and under can only leave Shabbat groups when accompanied by a parent. Older children participating in Shabbat Groups may only leave once their group has ended. After shul is over, children playing on the playground must be supervised by their parents. Thank you for your cooperation in this process.
