word of Torah, singing a song, reading a book, or sharing  
whatever he or she would like to share with the  
congregation. Please reach out to Dara Granoff at  
dara00@gmail.com if your child is interested in participating.

### Youth Policy

In order to ensure the safety of our children and encourage  
attendance in our educational programs, it is the shul's policy that  
all children must either be in the Shabbat Groups Program or  
supervised in shul by their parents. Children ages 5 and under can  
only leave Shabbat groups when accompanied by a parent. Older  
children participating in Shabbat Groups may only leave once their  
group has ended. After shul is over, children playing on the  
playground must be supervised by their parents. Thank you for your  
cooperation in this process.
