RABBINIC SEARCH COMMITTEE

We need to hear from each member of the congregation as we begin the process of searching for a new rabbi. The focus group first step is a vital one. However, in order to do this properly, we need a critical mass of ten members at each session. Please sign up today, especially for the Sunday, June 23, and Thursday, June 27 sessions. If we don't have at least ten members sign up by this Friday at 4 pm for these first two, we'll be forced to cancel them.

If you want your voice to be heard, sign up at <https://www.signupgenius.com/go/20f0f4ba5ac2fa6fc1-biav>

Thank you!! Looking forward to seeing BIAV members participate. Questions? Call Sam Arbesman or Carol Katzman.

In order to ensure the safety of our children and encourage attendance in our educational programs, it is the shul's policy that all children must either be in the Shabbat Groups Program or supervised in shul by their parents. Children ages 5 and under can only leave Shabbat groups when accompanied by a parent. Older children participating in Shabbat Groups may only leave once their group has ended. After shul is over, children playing on the playground must be supervised by their parents. Thank you for your cooperation in this process.

Thank you very much to everyone who helped shop, set-up, clean-up and serve ice cream at this year's **Youth D'var Torah Program**. Special thanks to **Dara Granoff** for chairing the event.

Thank you very much to everyone who helped shop and set-up the goodies for Shavuot night.

SAVE THE DATE: Day of Discovery—Explore the Joy of Jewish Learning in Kansas City—Sunday, August 25.

Aviva Kempner's **The Spy Behind Home Plate** is the first feature-length documentary to tell the real story of Morris "Moe" Berg, the enigmatic and brilliant Jewish baseball player turned spy. Berg caught and fielded in the major leagues during baseball's Golden Age in the 1920s and 1930s. But very few people know that Berg also worked for the Office of Strategic Services (OSS), spying in Europe and playing a prominent role in America's efforts to undermine the German atomic bomb program during WWII. The **Spy Behind Home Plate** reveals the life of this unknown Jewish hero through rare historical footage and photographs as well as revealing interviews with an All-Star roster of celebrities and other individuals from the worlds of sports, spycraft, and history. Berg may have had only a .243 batting average during his 15-year major league career, but it was the stats he collected for the OSS that made him a most valuable player to his country during World War II.
