Youth Policy

In order to ensure the safety of our children and encourage attendance in our educational programs, it is the shul's policy that all children must either be in the Shabbat Groups Program or supervised in shul by their parents. Children ages 5 and under can only leave Shabbat groups when accompanied by a parent. Older children participating in Shabbat Groups may only leave once their group has ended. After shul is over, children playing on the playground must be supervised by their parents. Thank you for your cooperation in this process.

BIAV Vaccination Policy

For the safety of our community, effective immediately, we require any child or adult to be up to date on all vaccinations as recommended by the Centers for Disease Control (barring age or medical restrictions) in order to enter any BIAV facility, including youth groups and the playground.
