### Youth Policy

In order to ensure the safety of our children and encourage attendance in our educational programs, it is the shul's policy that all children must either be in the Shabbat Groups Program or supervised in shul by their parents. Children ages 5 and under can only leave Shabbat groups when accompanied by a parent. Older children participating in Shabbat Groups may only leave once their group has ended. After shul is over, children playing on the playground must be supervised by their parents. Thank you for your cooperation in this process.

### RABBINIC SEARCH COMMITTEE

All members of BIAV will be receiving a survey from [ShulSurveys@yu.edu](mailto:ShulSurveys@yu.edu) in the next few days. This survey is the next step in the Rabbinic Search process based on the results of the focus groups in which so many of you participated, and was developed by the search committee with the expert guidance of Yeshiva University's Center for the Jewish Future.

The goal is to solicit broad community feedback regarding the development of a job description for the future rabbi of BIAV. The survey will also ask for your opinions and views on a future vision for BIAV. Please complete the survey no later than Sunday, September 8th.

If for any reason you are unable to complete the survey online or you share an e-mail address with your spouse, please contact Alisa Kartch in the shul office, at [assist@biav.org](mailto:assist@biav.org) or (913) 341-2444, to make arrangements for completing a printed version. All responses are anonymous.

The survey results and job description for the rabbinic search will be shared with the BIAV community when they are available. If you have any questions or concerns, please contact Search Committee Co-chairs Sam Arbesman and Carol Katzman.
