Youth Policy

In order to ensure the safety of our children and encourage attendance in our educational programs, it is the shul's policy that all children must either be in the Shabbat Groups Program or supervised in shul by their parents. Children ages 5 and under can only leave Shabbat groups when accompanied by a parent. Older children participating in Shabbat Groups may only leave once their group has ended. After shul is over, children playing on the playground must be supervised by their parents. Thank you for your cooperation in this process.

RABBINIC SEARCH COMMITTEE UPDATE

We thank everyone who participated in the focus groups to give us input for the Rabbinic Search Committee. Now we will turn our attention to collating all the information collected for the YU Center for the Jewish Future. Under the direction of Rabbi Ron Schwarzbarg, professionals at YU will create a survey that will be sent out to the entire congregation.

Even if you didn't participate in the focus groups, you can still have your voice heard through the congregational survey. We'll keep you posted on when the survey will be available.

Questions or comments? Contact Sam Arbesman or Carol Katzman.

BIAV Vaccination Policy

For the safety of our community, effective immediately, we require any child or adult to be up to date on all vaccinations as recommended by the Centers for Disease Control (barring age or medical restrictions) in order to enter any BIAV facility, including youth groups and the playground.
