### Youth Policy

In order to ensure the safety of our children and encourage attendance in our educational programs, it is the shul's policy that all children must either be in the Shabbat Groups Program or supervised in shul by their parents. Children ages 5 and under can only leave Shabbat groups when accompanied by a parent. Older children participating in Shabbat Groups may only leave once their group has ended. After shul is over, children playing on the playground must be supervised by their parents. Thank you for your cooperation in this process.

### BIAV Vaccination Policy

For the safety of our community, effective immediately, we require any child or adult to be up to date on all vaccinations as recommended by the Centers for Disease Control (barring age or medical restrictions) in order to enter any BIAV facility, including youth groups and the playground.

### Rabbi's Discretionary Fund needs your donations!

As the cold winter months come upon us, please consider making a donation to the Rabbi's Discretionary Fund to help those who could use some extra financial assistance to pay for utilities, food and clothing. Thank you to those who have already donated to support this effort.

**Yasher Koach!**

BIAV is as successful as its volunteers, therefore we would like to acknowledge the following for their efforts on behalf of the shul:

Kiddush Helpers This Week (October 26): Katriel Kennedy Beer, Sheila & Sy Miller, Kaley & Jon Schwartzbard, Jacqueline & Ricky Wolder

Kiddush Helpers Next Week (November 2): Katie Luchen, Flora Winitz, Debbie Greenberg
